Question One: Read and answer: (2 points)

My mother loves traditional Jordanian crafts. It is her birthday next week, and my father wanted to buy her a special present. Mum has got a beautiful mosaic, but she hasn't got a traditional rug. On Saturday, Dad drove us to Mukawir.

When we arrived in Mukawir, a woman was showing a rug to a visitor. So, we watched a video about weaving, while we were waiting. Then we looked at lots of different rugs. The rugs are made of wool and they are very beautiful. Dad chose this rug for Mum. It has lots of different colours. Dad is going to give this rug to Mum on her birthday. I'm really excited. I think she will love it.
