- a. furious b. furias c. furios d. furrious

71) When developers released a statement that they were going to build a luxury new hotel at the local beach, everyone in the town was very excited. There have been talks for years about opportunities for new developments, but they never seem to happen. We all have to seize the opportunity and realise that the hotel will not only give us work, but offer improvements to the whole area around the beach. The developers have promised a new road with wide pavements to and from the beach and a replacement of the sad old beach restaurants which have been there for years.

What does the underlined word (they) refer to?

- A. Opportunities for new developments B. Everyone in the town
C. Developers D. The sad old beach restaurants

72) It's no accident that the symbol of the World Wide Fund for Nature is a giant panda. These animals are cute or beautiful, or both, and of course we all want to save them. This popularity enables organisations such as the WWF to raise money to support a range of critically endangered species. However, less well-known or 'exciting' creatures are far more likely to become extinct because they don't get enough attention from researchers. Invertebrates (animals without a backbone) make up over 90% of all the creatures on Earth, but get only a tiny percentage of the money available to protect our wildlife.

Why are less well-known creatures more likely to become extinct?

- A. They are harder to study
B. They reproduce slowly
C. They are not endangered
D. They receive less attention and funding

- 73) As a child, Jane loved reading books about a fictional character called Dr Dolittle, who could talk to animals. Perhaps this is what inspired her to go to Africa when she was in her 20s. Here she came across a scientist who asked Jane if she might want a job observing chimpanzees in the wild. She immediately said yes. She went with her mother to the shores of Lake Tanganyika in Tanzania to start her new job, and it was not long before she made out a group of chimpanzees in the trees around an area now called the Gombe Stream National Park.

Who offered Jane a job observing chimpanzees?

- A. Her mother B. A friend C. Doctor Dolittle D. A scientist she met in Africa

- 74) In England during the 1800s, many people came to the cities to work. There were places called workhouses where the poorest people could live, work, and eat to make ends meet. But life in the workhouses was not easy, where people somehow managed a subsistence, living day-to-day, huddled together to keep warm.

What were workhouses in 1800s England?

- A. Factories for manufacturing
B. Schools for children
C. Markets for trading
D. Places for the poorest to live and work

- 75) In England during the 1800s, many people came to the cities to work. There were places called workhouses where the poorest people could live, work, and eat to make ends meet. But life in the workhouses was not easy, where people somehow managed a subsistence, living day-to-day, huddled together to keep warm.

What was the primary reason people moved to cities in England during the 1800s?

- A. To attend school
B. To find work
C. To escape the countryside
D. To enjoy city life

1. Quote from the text a sentence that shows Oliver was sad to leave the orphanage.
